Investment Trust Newsletter has been published monthly since November 1996.

- **We combine knowledge with experience.**
- **We aim to spot rising fund managers and leading managers who have a low profile.**
- **We often meet managers face-to-face, helping us to get the real story behind their performance.**

Have a look at our index, free to download from www.tipsheets.co.uk. You can see for yourself just how many trusts we have covered over the years. Not only will you see the huge variety of trusts we have reported on, but also the frequency. Many trusts have been featured 20 or 30 times. We follow up on our recommendations and keep subscribers up to date with all of the latest news.

You can also download a sample copy of the newsletter from the website.

The screenshot shows the website tipsheets.co.uk with a navigation menu at the top. The main content area is titled "Investment Trust Newsletter" and features a subscription form. The form includes a "Sample Copy" button and a "Subscribe" button. Below the form, there is a detailed description of the newsletter's content, including a list of featured trusts and a section for "Further Information" with links to various services and resources.

Investment Trusts offer excellent long term capital growth with a spread of risk and short term income-making opportunities.

Invest in a subscription to Investment Trust Newsletter now to gain access to information which could determine the future performance of your ISA savings, pensions, school fee saving plans, personal equity plans and your bank balance!

Published since 1996, Investment Trust Newsletter provides private investors with the only monthly published independent advice on how to top the right trusts at the right time. We also tell you which to sell. There are over 400 listed investment trust securities, and trusty performance can vary enormously, even within the same category.

Investment Trust Newsletter offers insight backed by rigorous analysis. Not only can we meet the managers of investment trusts face-to-face, enabling us to get the real story behind their performance.

Investment Trust Newsletter aims to spot rising stars among fund managers, most features cover already successful managers. We seek to discover those just beginning to perform or tell you about top fund managers who have a low profile among private investors.

We also provide a summary of the major research notes of the month from the leading institutional stockbrokers in the sector.

With Garratt, Collins, Oriel Securities, Aburathn, W&L Investment Trusts, Fairfax, Collis Stewart, and Numis Securities, Private Investors cannot usually obtain this information, but our subscribers find out what the leading brokers think every month.

Investment Trust Newsletter covers the wide range of investment trust securities, and recommends those suiting particular needs, such as saving for school fees or making tax free capital gains.

Investment Trust Newsletter has been published since 1996. You can see how many trusts we have covered, and whether we have written about any of your favourites by consulting the index to be found in the 1996 or 1997.
