

INVESTMENT

TRUST

NEWSLETTER

Investment Trust Newsletter has been published monthly since November 1996, so we combine knowledge with experience.

We look for the best opportunities, giving specific buy and sell advice.

We often meet managers face-to-face, helping us to get the real story behind their performance.

Have a look at our index, free to download from www.tipsheets.co.uk. You can see for yourself just how many trusts we have covered over the years. Not only will you see the huge variety of trusts we have reported on, but also the frequency. Many trusts have been featured 30 or 40 times. We follow up on our recommendations and keep subscribers up to date with all of the latest news.

You can also download a sample copy of the newsletter from the website.

The screenshot shows the website tipsheets.co.uk with a navigation bar containing icons for Home, Warrants, and Contact. The main content area is titled "Investment Trust Newsletter" and includes a "Sample Copy" button and a "Subscribe" button. The "Subscribe" button is highlighted with a red border and contains the text "Click HERE for details of how to subscribe for only £99.90 per year". Below this, there is a paragraph about the newsletter's focus on long-term capital growth and a link to "Invest in a subscription to Investment Trust Newsletter now to gain access to information which could determine the future performance of your life savings, pension, school fee saving plans, personal equity plans and your bank balance!". A second paragraph states that the newsletter has been published since 1996 and provides private investors with the only monthly published independent advice on how to buy the right trusts at the right time. A third paragraph describes the newsletter's content, which includes insights based on rigorous analysis and face-to-face meetings with managers. A "Further Information" sidebar on the right lists various services such as "The Warrants Directory", "Investment Trust Newsletter INDEX", "RBS Covered Warrants", "SG Covered Warrants", "Warrant Valuation Services", "CFP Calculator (PDF)", "CFP Calculator (Online)", "Investment Trust Discount Calculator (Online)", "The Investor's Guide to Warrants - buy the book directly from us", and "FREE Annual Reports".

We tell you about all major new issues in the sector, and explain how you can participate. Occasionally we can gain access to privileged placings for subscribers.

**Our subscribers also find out what the top firms of stockbrokers are thinking.
Every month the newsletter summarises research from leading
institutional brokers which can be very difficult to access.**

Investment Trust Newsletter allows investors to benefit from this in-depth analysis.

The newsletter does a lot more than simply 'tip' shares.

Every year we have some special issues of the newsletter. Each January we round-up all the top performers in all the major sectors, giving our opinions on where your money should be. Each March we make our ISA recommendations, with selections for income, low risk, and for higher risk capital growth. At least once a year we report from big investment trust conferences held by institutional brokers, always with speakers from major trusts.

Every month, without fail, we try to provide subscribers with the information they need to invest in investment trusts profitably and successfully.

We are very proud of our newsletter and its track record.

**Our subscribers seem to agree: more than 80% of subscribers
renew their subscriptions year after year.**

To subscribe, simply complete this form and return it to us. You will see that you can choose to receive the printed newsletter by post, or as a PDF by e-mail. The cost of an annual subscription is just £99.90 per year.

Published and issued by The McHattie Group, St Brandon's House, 29 Great George Street, Bristol, BS1 5QT. Telephone: 01 179 200 070. Email: enquiries@mchattie.co.uk. Authorised and regulated by The Financial Services Authority. Investment Trust Newsletter gives general advice and comment only. The price and value of investments and the income, if any, from them can fall as well as rise. Past performance is not necessarily any guide to future performance. Some investments may not be suitable for an individual investor. If you have any doubts, please seek advice from a professional investment adviser.

You can pay by standing order, by cheque, or by credit card (you can telephone us on 01 179 200 070). Most subscribers prefer to pay by standing order because we guarantee no future price rise for as long as your standing order is in force.
